

MERRITT LANDHORT SUMMER 2019 CLASS SCHEDULE

You CAN enroll in LH53 AND other summer LANHT classes, but must enroll via VP-approved override (due to alleged schedule conflict). See LANHT staff for assistance!

Find updates at www.Merritt.edu/wp/lanht and always check Passport online schedule for CORRECT schedule info

CORRECT Begin/End dates for LH1E & 208 is 6/18 - 7/30.

Summer class start/end dates tend to vary more than other semesters, so always check each class. Don't miss out! **Revised: 5/20/19**

Class Number	Class title	Instructor	Day(s)	Times	Room number	Enrollment code	Units
LH1E	Introduction to Horticulture (Eve) >> This class begins 6/18, ends 7/30 <<	Laura Forlin	Tuesday/Thursday	5:00- 9:15pm	H108	31698	2.5 units

LH1E: Principles and practices of horticulture: history, planting, soils, plant structure, propagation, maintenance. Evening classes may substitute slide presentations/other resources for labs. LH1E students: Interested in hands-on experience? Opportunities abound! Plant propagation club, work crew days, volunteering around dept. (maintenance always needed!), etc.. Discuss options with instructor, and coordinate field work with staff.

~~You CAN enroll in LH53 AND enroll in other summer LANHT classes (with no schedule conflict), just not in Passport!
Override for alleged conflict must be VP-approved. See LANHT staff for assistance!~~

LH28A Permaculture is NOT offered this summer, and the error will soon be removed from Passport. Do not enroll.

LH53	Alpines Lab meets for orientation 6/6 (see rt.) • End date: 7/29 << >> This class	Stew Winchester	Mandatory orientation: Thursday, June 6, 6:30pm	Class is two of four field trips, see below	Orientation: H108 Class: Field, locations TBA	31367	1 unit
